Clarification of News Report

We refer to your letter dated June 13, 2016 with respect to the news article entitled "Robinsons Retail sets P5-B capex this year" posted in philstar.com on June 11, 2016. The article reported in part that:

"MANILA, Philippines - Robinsons Retail Group, the retail arm of the Gokongwei Group, is setting aside P5 billion in capital expenditures, mainly for the opening of 200 new stores this year.

During the company's annual stockholders meeting, Robinsons Retail president and COO Robina Gokongwei-Pe said this year's capex was higher than the P4.2 billion allotted in 2015.

Gokongwei-Pe said the company remains bullish on its prospects this year despite intense competition in the retail industry.

'2016 is expected to be a good year. With the national elections in May coupled with the rising purchasing power of consumers fuelled by low fuel prices, we expect same store sales growth to stay healthy for the whole of 2016,' Gokongwei-Pe said.

'We however, foresee competition to remain intense as more retailers are expanding aggressively in areas outside Metro Manila to cash in on the still low modern retail penetration in these areas,' she said.

Given its aggressive expansion, Robinsons Retail expects its revenues to grow by double digits. Same store sales growth, on the other hand, is seen to rise by three to five percent.

Gokongwei-Pe said the company remains open to acquisitions to sustain growth.
